

Captain, May I See Your Safe Boat Operators Card?

**Presented for SHYC Members by:
US Coast Guard Auxiliary, Flotillas 62 & 66**

**At the Piankatank River Golf Club in
The Steamboat Grille**

**Saturday, March 27th, 2010
9:00 am to 4:00 pm**

There is going to be a huge rush to be a state certified boater in a couple years when the deadlines are coming within site. Just as an example, anyone 30 years old or younger operating a motorboat will need to meet the requirements by July 1, 2012, just 2 years!

By July 1, 2016, EVERYONE will need to meet the requirements.

This seminar will have **two ways to be certified:**

1) If you have taken a USCG Auxiliary, USPS or other NASBLA approved Boating Course, just bring your card or certificate and you will get registered with the state at this event, enjoy the seminar with **NO EXAM** and get your certification card at the event.

OR

2) After the day's presentations are complete, the state exam will be given and graded; students with passing grades will receive their certification card. If you don't take the exam or pass, take it at some other time.

**THIS EVENT IS VALUE PRICED AT ONLY
\$ 8.50 PER PERSON
INCLUDING
*Lunch and non-alcoholic beverages.***

We Need Your Paid Registration In Our Mail Box by

Monday, March 15th, 2010
